## 6. PRIVACY

### Taking Care with Photographs and Personal Information

At River City Cali Dance Studio, we are aware of the concerns in our community about the misuse of photos of children. We take great care to make sure that you are comfortable with the way we might use photos or videos of our participants on stage or at a theatre before or after performances. Photography is not allowed during performances unless by accredited photographers who take great care to protect the results of their work. In general, the main use we have for photos is in our team newsletters and in River City's own communiques. We also place good on-stage and posed images on our website ([www.rivercitycalidancestudio.com.au](http://www.rivercitycalidancestudio.com.au)) as well as our Facebook Page. Images are used in our own marketing publications. The coaches and the teams will review their performances by analysing official videos taken at competitions. Copies of these are often provided to each team member.

CAQI, and on a very rare occasions the Australian Calisthenic Federation, might wish to use the images of River City teams and individuals, usually without naming the performers.

### Personal Information

We are extremely careful with your personal information such as postal addresses, email addresses, dates of birth etc. This information is only collected for the purposes of administrating our sport by River City Cali Dance Studio, CAQI and the Australian Calisthenic Federation, for example, in determining the correct age groups for participants, and for keeping you up-to-date with what is happening at River City as well as nationally within our sport.

### Release

When you join River City Cali Dance Studio, and through it CAQI and the ACF, we ask that you consent to the photographs and information being used as described above by signing this privacy release. If you have any concerns at all, or specific requirements in relation to such material, please speak with our Directors – Lorinda Webster Brooking or Jessica Harrop.

## **7. CODE OF CONDUCT**

At River City Cali Dance Studio, we are committed to making participation in cali dance as much fun for everyone as possible. We believe that participation fosters social, emotional, personal and physical development in our team members. In return, we do have expectations of all our participants and their families. Our Code of Conduct is designed to be a reminder of these commitments and we ask that you sign it at the beginning of each year you are dancing with River City.

### **FAMILIES – My Child, My Club, Myself**

**My Child** – I will remember that my child participates in cali dance for their enjoyment, not mine. I will let them learn from their mistakes and will encourage them to practice and participate. I will focus on my child and their team's performance, not on the final result. I will never ridicule them or any other dancer for making a mistake. In fact, I will do my best to reassure and encourage. I will always accept decisions of an Adjudicator, CAQI or Club Official and teach my child to do likewise.

**My Club** – I am aware that there are significant activities that I need to volunteer to help with during my child's involvement in a cali dance year. I understand that costumes and props in particular need to be made, and I will readily volunteer my help with these and with other club activities.

**Myself** - I will always display control, respect and professionalism to all involved with cali dance, competitors, coaches, officials, administrators, parents and other spectators, and I will encourage my child to do the same. I will support all efforts to remove verbal and physical abuse from cali dance.

### **DANCERS – My Team, My Sport, Myself**

**My Team** – I have joined River City to participate in a team sport, to learn challenging new skills and to make new friends. I will participate whole-heartedly, respect and treat members of my team and other clubs courteously, just the way I would like to be treated.

**My Sport** – I will always demonstrate good sporting behaviour, control my temper and never succumb to physical violence. I will never use offensive language, abuse equipment or deliberately provoke or foul a member of my team of another club. I will never argue with an Adjudicator, CAQI or Club Official, and will go through the appropriate channels if the need arises.

**Myself** – I will always behave well whenever I am representing River City Cali Dance Studio. While wearing my River City uniform/tracksuit, or while engaged in competitions with a group of other River City members, I will remember that younger dancers will be looking to me as a mentor and a role model and act accordingly. I will always be at training or competitions on time and in correct uniform.

## **Social Media Guidelines**

River City Cali Dance Studio recognises the importance for our families, participants and coaches to participate in online applications such as social networking sites, wikis, blogs, micro blogs, video and audio sharing sites and message boards that allow people to easily publish, share, discuss and communicate ideas and information. It is important however to acknowledge the public and potentially permanent nature of these online interactions and recognise that the indirect form and anonymity of online communication may sometimes lead to inappropriate acts of harassment, including cyber bullying. The following guidelines have been provided to support River City member using social media.
